I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: The Hormone Replacement Therapy that my
doctor deems best for me can only be purchased
from a pharmacy in another state. Please don't
take this valuable HRT away from me.
Thank you. SC DeJohn
